(1) (a) Except as otherwise provided in ~~paragraph (b) of this subsection (1) and in subsection (3)~~ SUBSECTION (1)(b) of this section, there is imposed and shall be collected from every person in this state a tax or excise at the rate of three percent of storage or acquisition charges or costs for the privilege of storing, using, or consuming in this state any articles of tangible personal property purchased at retail.

(3) (a) ~~Notwithstanding the rate provisions of paragraphs (a) and (b) of subsection (1) of this section, for any fiscal year commencing on or after July 1, 2000, if the revenue estimate prepared by the staff of the legislative council in June of the calendar year in which that fiscal year ends indicates that the aggregate amount of state revenues will exceed the limitation on state fiscal year spending imposed by section 20 (7)(a) of article X of the state constitution for that fiscal year by three hundred fifty million dollars or more, as adjusted pursuant to paragraph (b) of this subsection (3), and voters statewide either have not authorized the state to retain and spend all of the excess state revenues or have authorized the state to retain and spend only a portion of the excess state revenues for that fiscal year, the tax imposed pursuant to subsection (1) of this section shall be imposed upon any sale of a new or used commercial truck, truck tractor, tractor, semitrailer, or vehicle used in combination therewith that has a gross vehicle weight rating in excess of twenty-six thousand pounds for the period commencing on July 1 of the calendar year in which that fiscal year ends through June 30 of the immediately subsequent calendar year, at a rate of one one-hundredth of one percent.~~

(b)(i) ~~No later than October 1 of any given calendar year commencing on or after~~

January 1, 2001, the executive director shall annually adjust the dollar amount specified in paragraph (a) of this subsection (3) to reflect the rate of growth of Colorado personal income for the calendar year immediately preceding the calendar year in which such adjustment is made. For purposes of this subparagraph (I), "the rate of growth of Colorado personal income" means the percentage change between the most recent published annual estimate of total personal income for Colorado, as defined and officially reported by the bureau of economic analysis in the United States department of commerce for the calendar year immediately preceding the calendar year in which the adjustment is made and the most recent published annual estimate of total personal income for Colorado, as defined and officially reported by the bureau of economic analysis in the United States department of commerce for the calendar year prior to the calendar year immediately preceding the calendar year in which the adjustment is made.

(II) Upon calculating the adjustment of said dollar amount in accordance with subparagraph (I) of this paragraph (b), the executive director shall notify in writing the executive committee of the legislative council created pursuant to section 2-3-301 (1), C.R.S., of the adjusted dollar amount and the basis for the adjustment. Such written notification shall be given within five working days after such calculation is completed, but such written notification shall be given no later than October 1 of the calendar year.

(III) It is the function of the executive committee of the legislative council to review and approve or disapprove such adjustment of said dollar amount within twenty days after receipt of such written notification from the executive director. Any adjustment that is not approved or disapproved by the executive committee within said twenty days shall be automatically approved; except that, if within said twenty days the executive committee schedules a hearing on such adjustment, such automatic approval shall not occur unless the executive committee does not approve or disapprove such adjustment after the conclusion of such hearing. Any hearing conducted by the executive committee pursuant to this subparagraph (III) shall be concluded no later than twenty-five days after receipt of such written notification from the executive director.

(IV) (A) If the executive committee of the legislative council disapproves any adjustment of said dollar amount calculated by the executive director pursuant to this paragraph (b), the executive committee shall specify such adjusted dollar amount to be utilized by the executive director. Any adjusted dollar amount specified by the executive committee pursuant to this sub-subparagraph (A) shall be calculated in accordance with the provisions of this paragraph (b).

(B) For the purpose of determining whether the use tax rate reduction authorized by paragraph (a) of this subsection (3) is to be allowed for any given income tax year, the executive director shall not utilize any adjusted dollar amount that has not been approved pursuant to subparagraph (III) of this paragraph (b) or otherwise specified pursuant to sub-subparagraph (A) of this subparagraph (IV).

(V) If one or more ballot questions are submitted to the voters at a statewide election to be held in November of any calendar year commencing on or after January 1, 2001, that seek authorization for the state to retain and spend all or any portion of the amount of excess state revenues for the state fiscal year ending during

~~said calendar year, the executive director shall not determine whether the use tax rate reduction authorized by paragraph (a) of this subsection (3) shall be allowed and shall not promulgate rules containing said use tax rate reduction until the impact of the results of said election on the amount of the excess state revenues to be refunded is ascertained.~~

~~(c) The general assembly finds and declares that reducing the rate of the use tax imposed on the storage, use, or consumption of a new or used commercial truck, truck tractor, tractor, semitrailer, or vehicle used in combination therewith that has a gross vehicle weight rating in excess of twenty-six thousand pounds is a reasonable method of refunding excess state revenues required to be refunded in accordance with section 20 (7)(d) of article X of the state constitution.~~

~~(d) Any state use tax rate reduction allowed pursuant to this section shall be published in rules promulgated by the executive director of the department of revenue in accordance with article 4 of title 24, C.R.S., and shall be included in such notices and publications as are customarily issued by the department of revenue on at least a quarterly basis concerning exemptions from the state sales and use tax.~~

SECTION 4. Act subject to petition - effective date - applicability. (1) This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly (August 5, 2020, if adjournment sine die is on May 6, 2020); except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2020 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor.

(2) This act applies to sales and use tax periods commencing on or after the applicable effective date of this act.
